Re: Case #793 - [REDACTED]

Mitchell Edelstein, D.O.
2101 N. Country Club Rd., #105
Tucson, Arizona 85716

Dear Dr. Edelstein:

As you know, based on the information adduced during your informal interview before the Board of Osteopathic Examiners on Friday, April 1, 1988, the Board duly voted to issue you a Decree of Censure for prescribing a Class II controlled substance to the above patients in excess of 30 days in a calendar year. This action does not restrict your practice in anyway.

You are advised, however, that this matter may be re-opened if similar complaints in the future indicate a course or pattern of conduct. Under those circumstances, the Board would consider such action as may be necessary to protect the public interest.

If you wish to appeal this Decree of Censure, please put your request in writing within 10 days subsequent to the date of this letter and you will be scheduled to appear before the Board at the July 22 - 23, 1988 meeting. In your letter requesting an appeal, please state the reason on which you base the appeal.

Sincerely,

Mary L. Tucker
Executive Director
